

BASKETBALL CONNECT

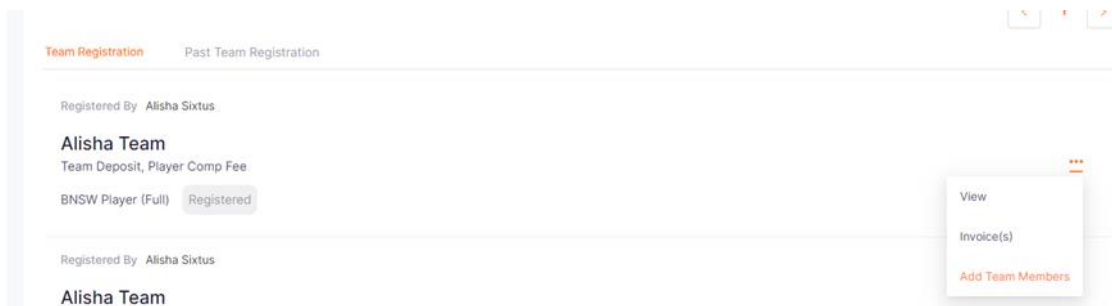

HOW TO INVITE PLAYERS TO YOUR TEAM

Inviting players to your registered team.

To invite players to join, create a Basketball Connect account with the email used to register your team.

Click the link here > <https://registration.basketballconnect.com/login> to login to your Basketball Connect account, if you have not been sent an details since registering the team please click forgot/reset password.

Once logged in scroll down to your team registrations, click on the 3 dots on the team tile and add team members. It is important invitations are sent with matching details as Gameday records (full name, email address etc) to match profiles successfully and ensure registration is not duplicated.

Invited players will receive an email from Basketball Connect to register to team. Payment is required to complete this registration. All players must complete this registration prior to their first game to ensure name is on the scoring device. Names not on the scoring device will not be able to play.

If you are experiencing difficulties, please email your team list and we can email the invites from the database using members current Gameday records.

PAYMENT VIA BASKETBALL CONNECT

Payment is required as part of the registration process. Unlike Gameday, Basketball Connect requires a payment upon registration, you will not be able to complete the registration process without making payment.

There will 2 options to pay
